

# DAY CUMMINS

## JOB VACANCY: CHARTERED BUILDING SURVEYOR

- Ideally having three years post qualification experience and MRICS and enjoys working with traditional buildings and modern buildings
- Be capable of professional work including assessing, analysing, surveying, preparation of schedules / reports.
- Adept in specification, tendering, contract administration of conversion, repair and extension of existing buildings in both private and public sectors.
- Have Party Wall experience and CAD drawing experience preferable but not essential
- The successful candidate would be working alongside other chartered professionals including Architects, Building surveyors, Quantity surveyors, and technicians. Working 36¾ hours per week with flexible working from our Cockermouth office.

We are a RICS and RIBA regulated company and we offer competitive salaries commensurate with experience and in line with industry guidelines.
